Maximize Your Impact. YOUR BOOTH AND BEYOND

OPPORTUNITIES AT A GLANCE

EXHIBIT BOOTH
The platform for everything you do at the AES2020, your standard virtual exhibit booth presents offers chat on demand, scheduled chat, and uploaded documents attendees can email to themselves. Premium booths include video and instant zoom meetings.

SPONSORSHIPS
Attach your brand to the frequently visited coat check, strategically-located hand sanitizers, cell phone charging stations, and coffee breaks—or one of many other sponsorship opportunities.

BOOTH TRAFFIC PROMOTIONS
Gamification comes to AES2020! Watch for details on the ways attendees can enter prize drawings by spending time in the Exhibit Hall. Effective tool for generating booth visits.

ADVERTISING AT AES2020
Get your message in front of AES members in multiple ways on the AES2020 virtual event platform and in print materials that will be mailed to those registered as of mid-November.

YEAR-ROUND ADVERTISING
Advertise in Epilepsy Currents: augment your presence at AES2020 by reaching your target audience year-round.

SATELLITE SYMPOSIA & WORKSHOPS
AES allows select satellite symposia by application. Content may not duplicate any part of the educational program at AES2020.

PRODUCT THEATERS
One hour promotional forum in exhibit hall. Limited slots available. Event will be recorded and available for on-demand viewing by registrants for 90 days after AES2020.

SCIENTIFIC EXHIBITS
Separate from commercial exhibits, scientific exhibits are staffed exclusively by scientists and investigators. Share information about the current state of your research.

EDUCATION SUPPORT
Select from three different types of support: accredited medical education (e.g., CME grants for symposia), non accredited education (e.g., lectures, investigator workshops, and special interest groups), and professional development (e.g. AES Fellows Program and Young Investigator awards).

EQUIPMENT AUCTION
Focus the attention of the epilepsy professionals squarely on your company’s equipment by donating it for auction—and support AES at the same time.

EPILEPSY RESOURCE EXHIBITORS
(Nonprofit Organizations Only)
AES provides a dedicated area for organizations involved in advocacy, patient outreach, patient services, and research funding.

The AES post-event survey of 2019 exhibitors indicates that over 96% of exhibitors are “satisfied” or “very satisfied” with the AES as a way to reach their target audience. Over 86% of AES exhibitors routinely report that the quality of leads are “good” or “excellent.” Exhibitors gave the 2019 AES meeting a value rating of 8.1 (out of 10).
GET EXTRA RECOGNITION AT AES2020 AND THROUGHOUT THE ENTIRE YEAR

Shape a package of opportunities that fits your outreach needs. Add up your company’s total amount of qualifying expenditures, and get recognition for your support at the appropriate leadership level, including an award presentation with AES Leadership to be scheduled in January. Thanks in part to the generosity of commercial and nonprofit supporters, AES is able to fulfill its mission: to advance research and education for professionals dedicated to the prevention, treatment, and cure of epilepsy.

You will be invited to select your 2021 booth position in order of the 2020 priority points you have accumulated. The more points you earn, the better spot you get on the exhibit floor in Chicago!

Here’s the system for earning points:

- **Participation Points**: 1 point for each year of exhibiting since 2003. Only these points carry over to next year. Exhibitors who do not exhibit two years in a row may lose all participation points.

- **2020 Booth Size Points**: depends on level of virtual booth package. Please see page 9 for details.

- **2020 Total Spend Points**, calculated as of the Wednesday before Thanksgiving:
  - **BENEFACTOR**: $500,000 and over = 13 points
  - **LEADER**: $250,000 to $499,999 = 10 points
  - **PARTNER**: $100,000 to $249,000 = 7 points
  - **SUPPORTER**: $50,000 to $99,999 = 5 points
  - **CONTRIBUTOR**: $25,000 to $49,999 = 3 points
  - **ADVOCATE**: $10,000 to $24,999 = 2 points
  - **PATRON**: $5,000 to $9,999 = 1 point

GET AN EARLY CHANCE AT YOUR PREFERRED 2021 HOTEL

Group hotel reservations for 2021 in Chicago will be staged according to 2020 recognition levels. Benefactors, Leaders, Partners, and Supporters—in that order—will have first pick of rooms, followed by Contributors, Advocates, and Patrons (combined as one group) prior to the general opening for group hotel reservations. 2021 booth payments must be up to date to participate.
Who qualifies as advertisers or sponsors? The following categories qualify to participate in AES2020 as advertisers or sponsors, providing you meet all other requirements for participating in AES2020 per AES Exhibitor Guidelines:

- 2020 commercial booth or nonprofit exhibitors
- 2020 scientific exhibitors
- Non-exhibiting companies with an epilepsy-related medicine or device in pre-commercial status, provided they don’t already have a commercial epilepsy product
- Medical education companies providing a satellite symposium that is sponsored by a company that qualifies to purchase advertising or sponsorship opportunities
- Companies in Loss of Exclusivity status or going into LOE in 2020 that in the past two years reached Advocate Level or above in the AES recognition system through expenditures on Epilepsy Currents advertising, medical education grants, and charitable support—or will reach that level in 2020.

All advertising and sponsorship goes through AES. All advertising and sponsorship goes through AES. All companies and organizations participating in AES2020 as exhibitors, sponsors, and advertisers of content targeted in any way at the professional epilepsy audience that appears on the AES virtual platform during the time period that registrants have access to it must purchase these products from AES.

Complimentary registrant mailing list. All exhibitors will receive (via the exhibitor newsletter) a link to the meeting registrant list on or about November 6, 2020 and again on or about January 8, 2021. Each is for a one-time only use. Only postal mailing addresses will be provided. AES does not provide email addresses.

- Each commercial booth, medical affairs booth, nonprofit exhibit, scientific exhibit, and satellite symposium or workshop is entitled to one use of the pre-meeting registrant list and the post-meeting registrant list. Your mailing must be related to the AES item—e.g. exhibit booth, scientific booth, satellite symposium, etc.—for which you are given a complimentary use of the list.
- Mailings using the pre-registration list must be mailed no later than December 1, 2020. Mailings using the final registration list must be mailed no later than February 26, 2021.
- The mailing list is sent via the exhibitor newsletter or a separate e-blast to the contact of record that your company has provided. Please contact this person on your team to get your copy of the list.

AES approvals for ads and mailings. All advertisements and mailings using the AES registrant list must be approved by the American Epilepsy Society in advance. AES can review your messaging and/or art in its early stages of execution in addition to reviewing the final for approval. Send all approval requests to soliver@aesnet.org and allow two business days for review.

Use of QR codes in advertisements. QR codes on print or digital advertisements are acceptable provided the code takes the user directly to a PDF of the document, i.e. a copy of the ad, and not to the advertiser’s website.

References to AES in ads, mailings, and virtual booths. Advertisements and direct mail outreach may include reference to the AES2020 but it must not imply that the ad or mailer is from AES. During the review process, AES reserves the right to change language relating to the use of the American Epilepsy Society and/or to reduce the point size of the reference.

- Neither the AES logo nor the AES2020 logo may be used.
- No version of “American Epilepsy Society”, “AES”, AES2020, and “Annual Meeting” may appear in any URLs your company uses to support your program.
- The following reference to AES may be used in advertising: AES2020.
- On materials viewed or used on the virtual platform—including but not limited to print guide ads, mailed print materials, digital materials used in exhibit booths or in video advertising, and digital or print materials supporting scientific exhibits and satellite symposia—advertisers may use: AES2020.

Right of First Refusal System. Companies or organizations that purchase an exclusive or premium sponsorship or advertising item will have the right of first refusal (ROFR) for that item in the following year if it is offered in the subsequent year by AES. Prices for exclusive and premium items are subject to change each year.

Securing ads or sponsorships. Insertion orders plus specifications for advertising and sponsorship items are available on the AES website. For other ads and sponsorships, contact soliver@aesnet.org. Note that quantities are limited on many items. Commercial and non-profit supporters may propose additional advertising or sponsorship ideas.

PLEASE NOTE: The AES cancellation policy for sponsorships and advertising can be found here on the AES meeting website.
SUPPORT OF ACCREDITED MEDICAL EDUCATION

The American Epilepsy Society encourages the professional development of physicians and other health care professionals by offering an array of activities to assist the learner in expanding their knowledge of topics in the field of epilepsy. AES is accredited with commendation by the Accreditation Council for Continuing Medical Education (ACCME).

AES will offer a minimum of approximately 43 AMA PRA Category 1 Credits™ at AES2020 plus selected Nursing and Pharmacology credits. Several symposia are offered for CME credit, including:

- Presidential
- Epilepsy Specialist
- Annual Course
- Annual Fundamentals
- Epilepsy Therapies
- Best Practices in Clinical Epilepsy
- Pediatric State of the Art
- Interprofessional Care
- Merritt-Putnam
- Hot Topics
- Scientific
- Spanish
- The Judith Hoyer Lecture
- Advanced Practice Provider (APP) Symposium

SPONSORSHIP OF NON-ACCREDITED EDUCATION

AES offers several opportunities to sponsor non-accredited education, including:

- Investigator Workshops: $5,000 each
- Special Interest Group (SIG) meetings: $5,000 each
- General conference support, starting at $10,000

Professional development opportunities are available to support researchers and clinicians, including:

- AES Fellows Program
- EEG Course for Residents
- Named Fellowships
- Nurse Awards
- Young Investigator Awards
- Seed Grants

SATELLITE SYMPOSIA AND WORKSHOPS

AES allows satellite symposia and workshops (both for CME credit and non-credit) by application only. Content may not duplicate any aspect of the educational content of AES2020.

SCIENTIFIC EXHIBITS

Scientific Exhibits share information about the current state of your company’s research. Separate from commercial exhibits, they are staffed exclusively by scientists and investigators. They differ from traditional poster presentations in that a far broader range of material can be presented as a collection of topics (results of various clinical trials), or a thematic presentation of one aspect of drug development (e.g., all preclinical material).
